LIFE • School • Story

Dear Seniors of 2022,

I think we can all agree that our high school experience has been anything but typical. Freshman year—the year we expected to be the farthest from normal amongst the waves of change and adjustment that flooded us—turned out to be the most normal of them all. Our sophomore year brought with it the pandemic, which lingered into our junior and senior years. Now, just as things seemed to be settling down, a war has started up across the seas.

Yet throughout all of these trials and tribulations, our grade and spirit has yet to falter. Sure, we've had our ups and downs, but our class returned to DR after a long time spent away with energy, excitement, and anticipation. Energy to make our senior year anything but average, excitement for the memories that await us, and anticipation to experience the world that is finally in reach.

As the doors to DR close behind us, try not to look back. Though it will be difficult to let go of all that we've built as a class, remember high school instead through a lens of joy, gratitude, and wisdom. We've come so far. The challenges we've faced have made us such resilient young adults, and will only benefit us as we continue to face the turbulence of life. I am so proud of our class as a whole, and cannot wait to see where our paths take us in the future.

Sincerely,

Jillian Pestana Sr. Class President

FROM OUR SCHOOL ADMINISTRATION

DR. ANTHONY AZAR, SUPERINTENDENT

Dear Class of 2022.

I would like to take this opportunity to congratulate each of you upon your graduation. When you think back to your experience at Dighton-Rehoboth Regional High School, my hope is that we have prepared you well for your future endeavors. Please know, even though you have graduated, you will always be part of the D-R Difference Family. Finally, I would be remiss if I didn't mention how proud I am to have been your Superintendent as you go forward and begin a new chapter in your life. Once again, congratulations!

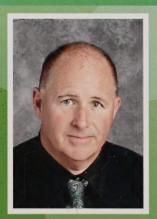

MR. ADAM BLAISDELL, ASSISTANT SUPERINTENDENT

Congratulations! This is a time to celebrate and to look back at all you have accomplished. Think back to preschool and kindergarten when you first learned your letters and you started to read. Think of all the skills you learned, the ideas that shaped you, and all of the people that helped you get to this point—family, teachers and your fellow classmates. Each experience you had, whether positive or slightly rocky, was an opportunity for you to grow into who you are right now - but it does not end here! I hope you take the wisdom you have gained from all of your learning experiences and the encounters with those around you to guide your choices in the future. As you leave Dighton-Rehoboth, continue to set goals for yourself and do not let roadblocks get in your way of achieving those dreams. See any roadblock as an opportunity to prove you can persevere. Above all, the most important thing through every chapter of your life will be the connections you make with others. People will remember you by the relationship that you developed with them. Say hello, smile, ask how someone is and really listen to their answer. A simple 'Good morning' goes a long way! Exchange ideas and challenge each other to be the best version of yourselves. I wish you luck as you start your next endeavor after graduation! Be

proud of your accomplishments and thank all of those people who helped you with this great achievement.

MR. DOUGLAS KELLY, DEAN OF STUDENTS

This year, more than any other year, I have found the true meaning of why I came to Dighton Rehoboth High School so many years ago. After all of us getting through Covid, I learned who the students, parents, staff, and administration of these two towns really were.

A loving, and hard working community of folks that all pitch in when the chips are down. Handing out food to those families in need. Making sure ALL the kids got as much as the state mandates would allow us, so the kids didn't miss all those important senior events, and always asking us what they can do to help us in the educational world. The outpouring of support and dedication was just incredible! I was never more proud than the day this class walked back through our school doors after this catastrophic event had hit here at little DR, and the rest of the world. When we came back to school some were smiling and excited, some were nervous, but everyone wanted to get on with our school life again. The academics you've received, the sports you've done so well in, the music you've made, and the art you've designed did not go unnoticed. This is a very

strong and balanced class. This will always be home to you all. I wish you all nothing but great success!. Thank you for letting me be a small part of your journey! With love, pride and respect.

CONGRATULATIONS CLASS OF 2022

DR. JOHN GOULD III, PRINCIPAL

Dear Graduates,

Congratulations to the class of 2022! You have shown a great sense of perseverance while maintaining a light hearted disposition during this up-and-down time of COVID. COVID, however, does not define us. Your class has set an example for others to follow. This has proven true in your academics, activities, and athletics. I commend the example you have set on a daily basis. Please remember those qualities displayed in your four years at DRRHS are transferable to college, the workplace, and in life. With that said, please remember this high school is a part of who you are. Thank you for the example you have set over the past four years. Again, Congratulations!

MRS. KATELYN .LIMA, ASSISTANT PRINCIPAL

Congratulations to the class of 2022! Even though the year was not what we wanted it to be, because of you it was as "normal" as we could make it. Now, your paths moving forward will diverge. Some of you will be attending college, some will be joining the workforce, while others will be joining the Armed Forces, but you will all remain a part of Dighton-Rehoboth Regional High School. Your future starts today, and as Abraham Lincoln once said, "The best way to predict your future is to create it." So, get out there and start creating.

MRS. DIANE ROSE, CTE DIRECTOR

Congratulations Class of 2022! You have all demonstrated strength and resilience the past couple of years as we have navigated through these difficult times. We are all proud of your accomplishments. Remember to set goals, never settle, be open minded, and always be kind. We look forward to watching all you will accomplish. Best Wishes to you all.

MRS. GAIL DECECCO, ASSISTANT PRINCIPAL

Dear Class of 2022:

Congratulations, graduates! When you embarked upon your high school career, you certainly never could have imagined being immersed in a prolonged global pandemic. Yet, here you are, having not only endured, but triumphed. You have passed the masterclass of life, moving forward in the midst of uncertainty. We are all so very proud of you and wish you every success in your future endeavors. "The whole future lies in uncertainty: live immediately."-Seneca Much love,

Year

Freshman Transition

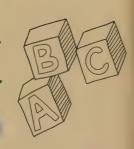

2018 Our story begins...

In 2018 we walked into our first day of school as freshman not knowing where we will end up. Looking back, we trusted the journey anyway. Throughout our four years, we faced a global pandemic, a nation in quarantine, and a sophomore year cut short for remote learning. Our grade powered through these struggles and adapted to whatever our high school years threw at us. It is quite the story, that only we can tell. But now, we reminisce on our freshman year and it feels like not so long ago. 2018 was a year of new beginnings, as is 2022, the start of our next chapter after high school. The friendships we made, the memories we created, and the storms we weathered together are forever a part of who we are, the class of 2022—we are DR.

Boys Soccer wins SCC Championship!

Congratulations to the boys soccer team for a successful season. Returning players and new players worked at a high level consistently. Together through their skill, hard work and dedication, the team went 11-0-0 in league play to win the South Coast Conference. Overall the team went 18-2-0 to round of 8 in the MIAA state tournament. The team were friends on and off the field and created many memories throughout the season. Coach Mike and Coach Tyler

2021-2022 Sports Highlights

Firls Basketball from Head Coach, Chris Perron

he 2022 Season for the Lady Basketball Falcons will be emembered as a group that overachieved. Having as few as 14 slavers in the entire program did not prove to be a problem for the ady Falcons. This team scrapped and clawed its way through a 20 same schedule, battling each opponent with pride and toughness. he Season would not have been a success without the leadership of jenior Captain Caroline Reed and Junior Captain Ella Damon. The eam had an overall record of 12 wins and 9 losses. The Lady alcons had the 3rd best record in the conference at 10-3. Seside the captains, the varsity roster was made of quality Falcon uthletes including Eliana Raposo, Rachel Zankul, Bri Malaguti, Morgan Corey, Olivia Tilden, Lucy Latour and Caraline Corvi, taleigh Kelley and Maddy Blenkush. Finally, the season was an enormous success as the Lady Falcons were able to qualify for the MIAA Tournament as the 37th seed. In the opening round the Lady alcons traveled to Longmeadow and proved to be a worthy apponent against the 28th Seeded Lancers. On behalf of the coaches (Chris Perron and Jon Pacheco) I would like to thank all staff, Personnel and Families that made the 2021-2022 Season a fun and triumphant season.

Boys Basketball, from Head Coach, Bill Cuthbertson

The 2021-22 basketball season was one of the best in DR history. Playing a challenging schedule, the Falcons won 14 games overall and 10 in the SCC with a relatively inexperienced team. Senior captain Ryan Ouellette averaged 16 points and 13 rebounds per game to lead the team in each category. Kyle Mello added 12 points per game while captains Rian Pontes and Nick Antonio added 8 points, 9 rebounds and 6 points, 7 rebounds, respectively. Captain Myles Mendoza became one of the best 3 point shooters in the league making 38 for the season while averaging 9 points per game.

Cross Country & Indoor Track

ross Country

he Falcons Cross Country teams enjoyed a very successful 2021 season in the South Coast Conference after a year hiatus due to COVID-19 cancellations. The ays learn finished the season with five wins and three losses to land in second place among SCC Large School teams. The final meet of the season against Old ochester Regional decided the conference winner and the Falcons missed the title by a mere three points in a very exciting home meet. Senior captains Graeme ullivan and Joshua Rebello led the team both in spirit and in points finishing first and second in every meet that they paired together. They were followed by rody Courcy, Nick Ware, Michael Lavigne, Jackson Pogany, and Jeremy Gale. The girls team completed an equally impressive campaign in conference with an verall record of six wins and two losses. They also finished in second place to a very impressive Old Rochester team which came down to the riveting season rale. The team was led by senior captains Kylie Antonio and Isabel Murdock who were joined by fellow varsity runners Zoey Jetude, Sarah Charbonneau, ristin Corvi, Lindsay Allard, Mariana Lavigne, and Molly Walsh. Highlights of the season included the team's first ever XC Relay Race at the Highland Course in the boro, MA and, of course, the annual Twilight Meet in Falmouth, MA. Great season, Falcons!

ndoor Track

he Falcons Winter Track teams had a strong 2021-22 season in the South Coast Conference this Winter. Even though masks the required during all running events, the athletes were more than happy to return to indoor competition after an entire year II. The Boys team finished the season with three wins and two losses to land in third place among SCC Large School tams. With fewer athletes than the typical season, the Falcons lacked the depth that some of their opponents possessed. The volosses suffered against Somerset Berkley and Old Rochester both came down to the final 4x400 race in both meets, an vent where their depth was at its lowest. After the two disappointing losses, the team was buoyed by a convincing team win the 2022 South Coast Conference Championship Meet. The team was led by SCC All-Stars Graeme Sullivan, Joshua ebello, and Justus Margan. At the State Level, Joshua Rebella in the 600m and the 4x200 team of Hendrix Pray, Jacob uprenard, Matthew Suprenard, and Dario St. James qualified for the MIAA All-States meet.

he Falcons Girls Winter Track team completed an impressive campaign in conference with an averall record of four wins and ne loss. Their only loss came by the hands of the Old Rochester team; the girls' perennial rival. However, the girls were dominant ver all of their other opponents and saw many successes, both personal and team. They were led this season by All Stars Sarah harbonneau, Madelyn Kelly, and Julia Tessier. For two years, our lives were put on hold for Covid. We missed many events along the way, but this year we were finally able to celebrate with our DR Spirit. Our road to normalcy, however, was a little different. Our spirit week was held outdoors, our Winter Concert was performed with masks, and our Homecoming was off campus this year. Other events included the Valentine Variety Show, Spring Concert, Theatre Productions, Celebration of Excellence, College Decision Day, Art Show, and the Prom. Our student life is an important part of our school experience. For some of us, it's the best chapter in the book.

From the Yearbook Advisor, Mrs. Tremblett

I started my journey as yearbook advisor 4 years ago when this class were freshman and now they are graduates!. This has been a journey like no other. Who would have thought that we would have a global pandemic right in the middle of our high school experience. Through it all, we have become stronger and grateful. Grateful for the wonderful story that is told in this book. This year we had a smaller yearbook staff so we took on a greater workload. My school service yearbook editors Kylie Palmer and Mia Stanzione have provided endless support and this book could hot have been done without their hard work day in and day out. Efforts that included designing pages, tracking down information, coming up with ideas. We had such a fun time with this book. Thank you to Zack McLaughlin and Kennedy Ferreira for their enthusiasm and dedication to assisting as well. Also, special thanks to Mrs. Shillan, our guidance secretary who is the best proofreader.

Mia Stanzione
Our high school experience is like no other. Having a

pandemic in the middle of high school and a year with remote learning has changed the experience of a typical high school student. Being a part of yearbook this year, I have had the opportunity to get to know so many of my classmates in a way that I never would have if it were not for this experience. We started this process in September and it has been a long journey with many moving parts. Aside from living this story, It's been nice to document our experiences in a way that shows our DR Spirit and the many personalities of our classmates. Working side by side throughout the year, we've definitely shared this labor of love, and even in the thick of it, we've had many laughs!

I would like to thank Kylie Palmer for being a great co-editor and friend throughout this process. Also, to Mrs. Shillan for always being good company and for answering my many questions throughout the year. Lastly, thank you to Mrs. Tremblett who gave so much to his book and for allowing me the opportunity to be a part of this. Who knew that a school service would lead to us creating such a meaningful part of our high school experience for years to come.

Mia Stanzione, Class of '22

From the Editors:

2021-2022 Yearbook Staff Kylie Palmer

Our school year has been filled with so many changes and adjustments during the pandemic. We entered the year not knowing what would lie ahead, or how we would even create this book, but we worked super hard and put our minds together to find really meaningful and powerful stories to tell. Yearbook has allowed me to open up and learn about so many different people.

Even though this was not a normal year for us, we still found ways to come together. I hope that every student who ever becomes a part of our school can have the same love for the class as I do. Even through the times where it got difficult, when we felt like giving up, we pushed through. It is very important to do this through all obstacles in life because you never know what you will encounter

Thank you to our adviser Mrs. Tremblett, without you, none of this would be possible. I especially want to thank Mia Stanzione, you helped tremendously throughout all of this. I hope this book has a special meaning and holds all the great memories for each and every student.

- Kylie Palmer, Class of '22
